Lots of pretty colors and unique designs. This is the first quilt book in a while that I've wanted to make more than what was on the cover. The only thing is I would rather make half square triangles my own way instead of drawing a line and sewing  $1/4$  on either side. I don't think it's easier or quicker. A confident beginner can make most of these and a seasoned quilter will get some new ideas. 1 of 1 people found the following review helpful. Wonderful book. Perfect condition  
By Vicki M. Wonderful book. Perfect condition, well packed, quickly shipped. Lots of variations on the churn dash block. Great addition to a quilter's library. 0 of 0 people found the following review helpful. Churn Dashes-- love them best!  
By Customer This is my favorite book. I do love churn dashes and have tried to make every variation I can find.
