I've always felt like we can easily exfoliate our skin naturally without having to go to expensive salons or spas. This book is a bible for me now! The facials and scrubs are best used when your skin is wet. A lot of ingredients are things you already have around your house like brown sugar and vanilla. Makes your skin smell good. This information has been very helpful to me, and I believe that it would be to anybody, not just people with sensitive skin. Forget all those expensive scrubs and masks that you see in the stores, and get this book. The information in it is easy to use and the author does a great job with the details!0 of 0 people found the following review helpful. Really awesomeBy GeorgeI have learned about body scrubbing from my wife and have been looking for and testing some new recipes to prepare scrubs manually. This book introduces some new and innovative aromatherapy recipes for scrubbing. This book actually was very helpful for me. The recipes are easy to prepare. I really enjoyed it. If you are looking for something new, this book is for you. I highly recommend this book. Thanks to the author.0 of 0 people found the following review helpful. Learn everything about body scrub which is really an amazing beauty tool!By Frank DoeringA body scrub is a great way to bring a healthy radiance to your skin. Using the right scrub, can, in fact, be a lot more important for the overall health and radiance of your skin than even the best moisturizers in the world can. It is for the first time I am reading a book on body scrubs. This book is really useful to learn basic to advanced details of body scrubs. It covers details about how you should be using a scrub, how to get the best benefits, how to make up your own scrubs and everything you need to know about scrubs.
