Parm Armstrong : Bollywood Style: A Colouring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Bollywood Style: A Colouring Book:

Here's a delightful little, carry-along book of 25 hand-drawn illustrations of Indian fashion, design, and culture. Perfect for fashionistas and colouring fans of all ages, adolescent to adult. If you have ever been to an Indian wedding or event, the vibrant colours of the clothing were sure to have left an impression. Easily fitting in a tote or handbag, this book is an invitation to indulge your sense of colour and style anywhere.
