Lets get crafty! You will never be bored again with the brilliant things to make and do in Boredom Busters. The book is divided into five themed chapters: Art, Craft, Science, Food, and Travel. Art Activities shows you how to create pretty pictures using homemade paint, recycled crayons, and even coffee filter paper and shaving cream! In Craft Activities, reuse milk cartons for your own bowling game, turn a baby food jar into a snow globe, and make cinnamon

clay decorations. You will love the cool experiments in the Science section from growing your own crystals to setting off plastic bottle tornados and creating lava in a cup. Cook up a storm with the great recipes in Food Activities: cool ice cream cone cupcakes, delicious chocolate mug cake, and colorful pizza faces. Finally, discover ways to keep yourself busy on journeys and holidays in Travel Activities, such as making a T-shirt pillow, wooden spoon puppets, and a homemade travel journal.
