1 of 2 people found the following review helpful. Bouquets: a Year of flowersBy DEBORAH ROZIERThis is an awesome book. It got my creative juices flowing. I use this book for inspiration often.4 of 4 people found the following review helpful. InspirationalBy Marilyn KernoffThis book is truly beautiful and will inspire anyone to instantly plan a dinner party, a tea, a wedding or shower(actually, any kind of gathering!) in order to put all the wonderful ideas to use. There are so many creative and innovative suggestions for setting a table and it made me look at things I already own in new ways. I also appreciated the suggestions for borrowing from friends and family or purchasing inexpensive pieces to make my old presentations look fresh and new.It is so hard to pick a favorite from among all those shown - but the Day of the Dead celebration and the white summer wedding are spectacular. The children's birthday in the park will give mothers some great suggestions for a unique party - including menu and recipes.This book will continue to inspire me for years to come.3 of 4 people found the following review helpful. Hosting an elegant dinner party or casual affair for your friends? Inspire yourself with *Bouquets: A Year of Flowers and Settings for the Table*-a how-to guide for presenting a glorious table whether you are throwing a children's birthday party or hosting a home wedding. This delicious little volume is second in the series that Marsha Heckman began with *Bouquets: A Year of Flowers for the Bride*, now in its fourth printing. Organized by season, *Bouquets* illustrates that making creative and exquisite party decor can be easier than you think. Heckman shows you how to use things that are readily accessible to personalize your occasion by melding beautiful flowers with nationally available retail items, party rentals, and your own everyday dishes, wedding china, inherited treasures, and flea market finds. A complete resource guide is included. *Bouquets* presents 19 beautifully photographed table-tops-elegant tables for dining, theme tables for holiday parties, unique ideas for weddings in every season, and more casual table settings designed simply for fun. Celebrate Christmas with snowballs made of flowers, Fourth of July with a flag made of flowers, a Valentine's dinner party with vintage cards, a child's birthday with a delectably edible centerpiece, and Easter with a brunch table decorated with spring bulbs and homemade bird's eggs. Each table is magnificently accented with stunning centerpieces and includes simple instructions for arranging flowers at home. Page after page of creative ideas will inspire you to make every dinner party and event in your home an unforgettable occasion with these gorgeous table-tops and centerpieces.
