Warren Elsmore : Brick Animals: 40 Clever Creative Ideas to Make from Classic LEGO (Brick Builds) before purchasing it in order to gage whether or not it would be worth my time, and all praised Brick Animals: 40 Clever Creative Ideas to Make from Classic LEGO (Brick Builds):

1 of 1 people found the following review helpful. Great book to get ideas rolling!By SterlingMy 4 year old loves this book! It's a fun book for him to just look at the pictures, and it's also a great book to give you ideas to make some fun little Lego animals. Sure, you might not have all the exact pieces that the instructions call for, but the instructions will help steer you in the right direction to come up with some creative stuff. I would highly recommend this book for you if your kids are into Legos.0 of 0 people found the following review helpful. Five StarsBy Alma Carlsongreat book - kids are lovin' it.0 of 0 people found the following review helpful. Great for 6-10 year oldsBy Momof4Fun book

LEGO builders, rejoice! The celebrated author of Brick City, Brick Wonders, Brick Flicks, Brick History and Brick Vehicles is back with this new title that offers 40 original, ingenious, and unique buildable projects to make from LEGO pieces. In Brick Animals, anyone with a drawer full of LEGO bricks will be able to build and customize cute animal models, including a cute cat, wild swan, big polar bear, friendly monkey, and more. Based on the brick selection found in some of LEGO's Classic series, each project is a great way to test out unusual building techniques or to mix up pieces from existing kits that have already been broken up. Free your inner architect with these fun projects that really get your creative juices flowing. You can follow the instructions to the letter or go off in your own direction it's your choice! Many of the designs in these books use fewer than 100 bricks, so you don't need a lot of bricks to get started. Discover loads of fun projects showcasing advanced techniques that are perfect for every LEGO enthusiast.
