Amazing book that you would enjoy as an adult collector or share with your child. The picts are great and the book is filled with amazing ideas for your own lego collection.0 of 0 people found the following review helpful. Five StarsBy Paige TurnerFantastic!0 of 0 people found the following review helpful. four years old one of his favorite movies was singing in the rainBy CarolynMy grandson loves the book.

When he was very young, four years old one of his favorite movies was singing in the rain.

Its official...there is absolutely no limit to what master modeler Warren Elsmore can create with LEGO bricks! Hes wowed us with architectural icons from around the globe in Brick City. He amazed us with the wonders of the ancient, natural, and modern world in Brick Wonders. And now, Elsmore takes us to the movies in Brick Flicks, as he recreates iconic scenes from the worlds most famous films. Movie fans and LEGO lovers alike will delight in brick-by-brick recreations of scenes from:Raiders of the Lost ArkPlanet of the ApesRockyGreaseKing KongLawrence of Arabia, and many, many othersChapters are organized by movie genre and cover action and adventure, science fiction and horror, drama and classics, as well as musicals and comedy. With more than 100 gorgeous full-color photos of his creations, Elsmore provides commentary on how they were made along with interesting facts about the movies themselves. Readers will also enjoy easy-to-follow instructions for recreating many of the iconic scenes in their own homes.

Theres no such thing as too many cool LEGO creations, and heres another fun book of themgeekdad.comThis is an enjoyable book with some great LEGO images great care was taken in choosing the minifigures. This makes the images in the book so much more authentic and professional.theBrickBlogger.comA perfect gift for the LEGO enthusiast and film fans alikeSan Diego Family MagazineAbout the AuthorWarren Elsmore is a world-renowned LEGO modeler and the best-selling author of Brick City and Brick Wonders, both available in North America from Barrons.
