**From Brand: Memory Makers : Budget Scrapbooking (Memory Makers)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Budget Scrapbooking (Memory Makers):

0 of 0 people found the following review helpful. On a shoestring budget....read this.By KGW Book ReaderAlways looking for saving ideas. This book gives some great ideas to embellish your pages on a budget for sure. Regular household items that you'd never think would make such a stunning addition to your pages. Can't wait to use it more.8 of 17 people found the following review helpful. Don't Waste Your MoneyBy S. StracheI am so sorry I wasted my money and time on this book. If you are looking for some realistic and new ways to use items found around the house for scrapbooking, this is NOT it.3 of 3 people found the following review helpful. Good, but has flawsBy ChristyFor the most part, I really like this book. It has some great ideas on how to use things that would otherwise go in the trash. My main problem with it, is that many of the ideas call for using items that are very 3D. I keep my scrapbook pages in an album (I realize that some people keep them in shadowboxes), and 3D items just don't work. For example, some of

the layouts have things in them such as chopsticks, sea shells, a string of pearls, an antique comb, binder clips, and even Legos. These things stick out off the page WAY to far to ever use the page in a scrapbook. But other than that, the book is great. It really helps me not only get ideas directly from the book, but come up with ideas of my own by changing the way I look at "trash".

Great Ideas for Scrapbooking on a Shoestring  
When you combine your favorite scrapbook supplies with items found around the house, you'll not only create one-of-a-kind album pages, you'll save money, too! Budget Scrapbooking is the ultimate resource for helping you recognize old or discarded objects and giving them new life on scrapbook pages. Filled with page ideas using items from all corners of your home, Budget Scrapbooking is sure to help you stretch your imagination for creative page embellishments without breaking the bank. Soon, you'll begin to see product packaging from the kitchen, file folder tabs from the home office and even discarded metal scraps from the garage in a whole new light. You'll discover:  
Hundreds of ideas using found objects on scrapbook pages  
Layouts that incorporate items discovered all around the house - including the kitchen, bedroom, bathroom, home office, craft and sewing room, garage and workshop  
Frugal bonus ideas for duplicating fun and practical techniques  
Tips and tricks for hosting a found item scavenger hunt and swap in your house  
Handy lists of items to search for and use on scrapbook pages whether you are at home or shopping at yard sales  
Resources for finding free page accents online  
The possibilities are endless when you start looking at the "junk" you've accumulated over the years as innovative page accents, and Budget Scrapbooking will show you how!
