Thomas J. Houle : Building and Racing Radio Control Sailboats (RC Performance Series No. 10)/12105 before purchasing it in order to gage whether or not it would be worth my time, and all praised Building and Racing Radio Control Sailboats (RC Performance Series No. 10)/12105:

24 of 24 people found the following review helpful. Excellent "heads-up" to the beginner.By A CustomerAfter purchasing a RC sailboat, I found this book an excellent guide. The author gives the beginner the information he or she needs to get started, as well as giving some in depth "how-to" details for those considering a model from scratch. It's too bad there isn't more in print on the subject. At least this volume satisfies my needs as a entry level novice. Thanks
