She's already made one of the bags for him and he seems to like it.0 of 0 people found the following review helpful. Love, LoveBy Mama BearLove, Love, Love this book!!! Most activities are quick and easy to put together (sometimes my toddler and preschooler could help!). All necessary items are easy to find and at very reasonable prices. My children enjoyed these activities and they were easy to bring along when we traveled!0 of 0 people found the following review helpful. Four StarsBy A. Pipergood ideas,

lots of information.

An engaging variety of mentally stimulating activities that keep children away from the TVAs the parent of young children, it's hard to find a moment for yourself. *Busy Bags Kids Will Love* offers you a smart way to keep your kids engaged so you can relax. With step-by-step instructions and color photos on each page, it will teach you how to make fun, unique games with simple arts-and-crafts materials you have at home. Packed full of enough ideas for every week of the year, this book provides your kids with entertaining, exciting and educational activities, including: Fishing for colorful letters and numbers Building shapes with pipe cleaners and straws Practicing words by rolling the dice Getting creative with funny felt faces Exploring textures with blocks, nuts, bolts and zippers Learning to count with pom-pom patterns

About the Author Sara McClure is a mom and certified teacher with experience in early childhood education. She holds a bachelors degree in Child and Family Studies with an emphasis on Early Childhood Education for grades preK-4 and a masters degree in Urban Education. After five years of classroom teaching she transitioned to homeschooling her two boys. To save her sanity, she uses busy bags to keep her younger son entertained while she teaches the older son. She is the blogger at HappyBrownHouse.com where she shares meaningful learning activities for kids, recipes, and a peek into her homeschooling life.
