Emma Jean Jansen : By the Bundle: Turn precuts into patchwork with 12 fat quarter-friendly quilts before purchasing it in order to gauge whether or not it would be worth my time, and all praised By the Bundle: Turn precuts into patchwork with 12 fat quarter-friendly quilts:

12 of 13 people found the following review helpful. Best quilt book I have seen in an age. By Book Lover This is one of the most beautiful, least publicized quilting books I have ever gotten. Beautifully photographed, clearly written - I am enjoying it thoroughly. 4 of 4 people found the following review helpful. Beautiful book with many pretty patterns. By Anonymous Some lovely quilts and beautiful photos - I love fat-quarter friendly quilt patterns and could see myself making several of the quilts in the book. 5 of 5 people found the following review helpful. Beautiful. By Verna Adams This book is beautiful to look at and has some nice projects in it too.

Go from fat to fab in no time with this inventive, inspirational quilting guide. If you're a quilter, or hankering to become one, then you probably know we're talking fat quarters - quarter yard cuts of fabric cut wide. 18" x 22" cuts to be precise. Who can resist a stack of beautifully coordinated fabrics all neatly folded into a bundle and tied with a bow? It's like getting a stack of buttermilk pancakes dripping in syrup and you can't wait to dive in! Fat quarter bundles are everywhere these days, which makes it the perfect time for a DIY book like *By the Bundle*. Discover 12 fat quarter

quilting projects that will dazzle any room. The 18" x 22 cuts allow you to sample all kinds of fabrics, but sometimes there's just not enough to make an entire quilt. *By the Bundle* solves that problem by offering you 12 quilting projects from the beginner-friendly to the complex designed specifically for turning fat quarters into fully completed, totally impressive quilts. Australian author, fabric designer, and former fabric shop owner, Emma Jean Jansen offers you the inspiration you need to turn fat quarters into finished quilts without the head-scratching piecing process. There are over 100 photographs, all shot in Emma Jansen's native land of Australia, to sweep you off to your inner most creative place. And with 80 step-by-step illustrations peppered throughout, each project will be that much easier to complete. *By the Bundle* features 12 fat quarter quilting projects including: Boxes and crosses Diamonds and squares Rainbow pyramids Butterflies Star bursts And more Maximize your fabric yield as you piece together the most glorious quilts. Whether your cuts are from a single fabric collection or a complementary combination of many fabric lines, *By the Bundle* gives you the bandwidth to turn fat quarters into fabulous quilts.

"These fat-quarter friendly projects will help you de-stash, or send you running to the quilt shop for more. The book explains what a fat quarter is, and then gets straight into the projects. The photography is breath-taking. The contemporary designs will speak volumes to the modern woman and quilt artist." (yarnsandfabrics.co.uk)
About the Author Emma Jean Jansen has been in the patchwork and quilting industry for over 10 years. She studied Textile Design at RMIT and is currently designing fabric for the Australian company Ella Blue, available from Charles Parsons. She blogs at emmajeanjansen.com.au and lives in Australia.
