It didn't bleed through using a calligraphy marker but may with ink as the paper is somewhat thin. Note: in case this is important to you, this is not really designed to tear the pages out cleanly. But it does lay flat enough to work on. It is ruled on both sides of the paper so it can give you a hundred pages of practice if bleeding isn't an issue.1 of 1 people found the following review helpful. Paper is too thin for purposeBy Kindle

Customer This paper is too thin to use either fountain pens or tombow brush pens. The lines are printed on the front back of the pages, but you can't use the back pages because the bleeding is so bad. 0 of 0 people found the following review helpful. EXTREMELY HELPFUL!! By Apyr1 THIS HAS BEEN VERY HELPFUL WITH PRACTICING MY LETTERING/NOTES FOR MY TECHNICAL DRAFTING CLASSES FOR COLLEGE! THANK YOU!
