1 of 1 people found the following review helpful. Buy this book!By RhondaVery good book to buy. Really simple recipes, with photos, and detailed instructions. I am new at making candles , which made it easier for a newbie like me!0 of 0 people found the following review helpful. Great recipes, easy to followBy Deborah V. HamiltonShort and sweet! The book has a lot of good basic information, and the author presents it in a clear and very readable manner. Just wish it could have been longer, and maybe included more information on supplies and suppliers. Certainly worth the cost!0 of 0 people found the following review helpful. Five StarsBy TracyLynneLaForestThis gives good instructions.
