1 of 1 people found the following review helpful. Waste of MoneyBy Robin MikkExtremely disappointed. I don't understand how this "book" got 5 star ratings. This should be called a "pamphlet" not a paperback book. (see photo) I learned more about making candles for free when I Googled "How to Make Candles"Complete waste of my money and I'm angry.0 of 0 people found the following review helpful. IrritatedBy Allison SnyderThe info is good, but the pages in the book are out of order.0 of 0 people found the following review helpful. Great for beginnersBy KennyThis book is clear and very easily understood. Well written with clear and COMPLETE instructions. I recommend anyone looking for a starting point in the candle making experience, this is exactly what you are looking for. Sticks to basics. Doesn't get too complicated, or confusing. Someone with no experience should definitely start with this book, to avoid making mistakes and having a positive candle making experience. Candle making is easy, and expensive. This book is where to start enjoying the candle making experience
