David Constable : Candle Making: Funstation (Funstations) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Candle Making: Funstation (Funstations):

Each Funstation kit is packed with brilliant ideas and projects to entertain and teach kids. A 48-page, colorfully illustrated instruction booklet guides kids through each fun-filled craft project. Candle Making contains colored pellet wax, candle molds, wick, wicking needle, shape cutters, and wax tool. The Series includes: Dough Craft, Jewelry Designs, Let's Grow It!, and Music Works.
