I would give it zero stars if I could. It mentions nothing on how to make the candles on the cover. It's a list of ingredients and a how-to to mix and pur candles. Info easily found online. PoS. Stay away. 1 of 1 people found the following review helpful. ... cheaply produced would NOT purchase This book is a waste of \$ By wendy kammerman many words are spelled incorrectly very unprofessional and cheaply produced would NOT purchase This book is a waste of \$ 1 of 1 people found the following review helpful.
