this item!14 of 15 people found the following review helpful. No substanceBy lvtig1This is a waste of downloading time. It is very disappointing. No information or recipes or anything that tells you how to make candles. I downloaded this and deleted it the same day!20 of 24 people found the following review helpful. OMG - Don't waste your moneyBy A. CarterThis is the WORST e-book ever. It's been copied (horribly) from a paperbook, quality is terrible and is SO generic and rudimentary in content. There is nothing one can't find about candle making on the internet - probably at a pre-schooler site or site for people with learning disabilities. Please DO NOT waste your money.

If you love books like "Smart Soapmaking" or "Martha Stewart's Encyclopedia of Crafts", or "Paper Blossoms: A Book of Beautiful Bouquets for the Table" then you'll love this book! Candle Making Secrets: 92 Insider Tips For Fun Basic Candle Making The Natural Way is a simple and easy-to-apply book in which you will discover ninety-two tips that will show you how easy it is to make candles using soy, oils, and scents.
