4 of 4 people found the following review helpful. I will use for a reference for sometime to come and then gladly pass

on the book for others to benefit. By S. Moniz I haven't tried my hand at candle making for over 40 years. This book is very helpful for a beginner. It is helpful in learning about wicks, and wax, scents and temperatures. Surely it will make learning candle making more fun and enjoyable and less stressful. I will use this book as a reference for sometime to come. It not only instructs but it gives the "why" behind the "how" making the instructions much more clear. I am sure that you will find this book helpful if you have never read a book on candle making. I am very glad that I purchased it and recommend it to you. 0 of 0 people found the following review helpful. Love making candles and this book is a great teacher. By LadyLove making candles and this book is a great teacher. It is wonderful making candles during the Christmas holidays and friends asking you to just give them one of your delightful smelling candles for Christmas and nothing else. You know you are doing something right! Smile. I recommend this book, and I recommend the seller. 1 of 1 people found the following review helpful. Nope. By Mary Costa Everything in this book can be found online at no cost. I was hoping to gain some knowledge I didn't have, knowledge like candle making secrets, you know, but no. Don't waste your money. Go to google instead.

Perfect for the beginner! I have been thinking of making my own candles for a while but wasn't sure what book to go for. This is exactly what I needed! Very simply written with pictures to demonstrate various techniques and a list of the equipment needed. Very Good, Worth It! Had a quick sift through and it looks very informative and some nice illustrations. Simple to follow well worth the price. You will learn how to make beautiful candles that not only look good but smell good. I include some candle recipes, my secret formulas, tips and tricks that helped make me tens of thousands of dollars all from the comfort of my home. If you can make Ice cubes, then you can make candles. It really is that simple. Not only is it easy but it is fun and rewarding. Your hobby can become a lucrative business that can make you loads of money. If you have never created something then you are missing out on a great feeling of accomplishment. To be able to look at something and say I made that! Is a very nice feeling. I have been making candles for over ten years. I will teach you the Candle "Lingo" that will keep you from making the mistakes that novice and advanced candle makers make everyday. People have been making candles for hundreds of years. What are you waiting for? Learn how to unleash your creativity and start making candles that can make you money with step by step recipes for success.
