Jennifer Furgeson : Candle Making Secrets: Insider Tips and Advice on How to Make Perfect Candles, Every Time before purchasing it in order to gage whether or not it would be worth my time, and all praised Candle Making Secrets: Insider Tips and Advice on How to Make Perfect Candles, Every Time:

If you're interested in learning everything there is to know about making candles, then "Candle Making Secrets" is a must-read. Every bit of this book is packed with the latest cutting edge information on making candles, and it took over 1 year to research, gather the data, and compile it all in one place. Inside, you'll discover a wide range of candle making tips and advice, including: - 3 little known, yet simple ways to use wicks - How to pick the right kind of wax - How to create different kinds of candles like pillar, votive, taper, tealight and more - A pennies-on-the-dollar approach to giving special and unique candle gifts - 3 things you should never do when it comes to making candles ...and more! "Candle Making Secrets" is written in plain, easy to understand English (you won't find any super complicated technical jargon here), and it's laid out so that it will effortlessly lead you through the candle-making process, step-by-step. Whether you're an experienced candle maker who wants to try out some new ideas, or a complete newcomer to the craft, "Candle Making Secrets" will help you take your candle making activities to the next level.
