Linda Corirossi : Canvas Embellishment: Exquisite Needlepoint Stitches Made Simple before purchasing it in order to gage whether or not it would be worth my time, and all praised Canvas Embellishment: Exquisite Needlepoint Stitches Made Simple:

0 of 0 people found the following review helpful. Good book for embellishing embroidery and needlepoint stitching rather than needlepoint embellishmentBy Jackie S.Had much more information regarding embroidery than needlepoint, so it didn't quite fit my needs for new embellishment ideas. However the book has good information in it. Had I known more before my purchase I most probably would have passed on the purchase. However, the book arrived on time and packaged well. No problems with the vendor.
