**Idan Boaz : Capoeira: Coloring Activity Book (Volume 1)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Capoeira: Coloring Activity Book (Volume 1):

0 of 0 people found the following review helpful. Capoeira for kidsBy Rachel HoronThe pictures again captured the interest of my child. ThIs time on the topic of capoeira, or Brazilian martial arts. It is challenging to take the constant flow and movement of the experts' actions, but these pictures do it beautifully in a way that sparks discussion like "How did they jump in the air sideways like that ". I appreciate the statement "We don't fight we play" on the cover so there is a clear idea that these friends are smiling and having fun. In fact, her favorite pictures are those in which there is more than one character. The activities in the back were great for early math skills.1 of 1 people found the following review helpful. Crazy about CapoeiraBy MochaloveI love this book and so do my children, its fun, child friendly and interactive. This is a completely entertaining way to introduce young children to the Capoeira fighting style while enhancing their basic learning skills. The illustrations are simple but vibrant and depict various friendly - looking animal characters in Capoeira poses. Additionally the activities are simple but challenging for very young minds.

Kudos to the author for such a great job. I would definitely recommend this book to parents of young children ages 3-5.1 of 1 people found the following review helpful. A great way to stimulate interest in a rich traditionBy tony2456Capoeira is a rich tradition that goes back many years and combines music and physical movement, both elements that children need and thrive on. This coloring book seems to offer a healthy and concrete way to engage a young one's imagination and hopefully kindle a desire to learn more about this type of martial arts and other forms of movement/physical expression like it. I will update this review after receiving this book and sharing it with a child in my life.

Capoeira is one of the most popular martial arts around the globe, combines unique style of dancing, acrobatics, playing on instruments many more. Inside 'Capoeira: coloring activity book' you will find the secret within. Book Features: Coloring Characters, Animals Special Version, Capoeira Movements (Solo+Couples), Silhouette Comparison, Spot 4 Differences, Cut out and play, Mazes  
more. -----
