RhenMy wife is currently hooking a rug pictured in this volume. Instead of running to the library every two weeks where there is a dogeared copy, she has an almost new volume she can consult at her leisure for yarn color and other adaptations she may want to make.1 of 1 people found the following review helpful. The Best..!By Kitchee-kooVery impressive book....Absolutely love it!

This year's edition, "Celebration III" is a deserving heir to this noble lineage. Filled with photos of glorious rugs and profiles of the artists who created them, it showcases the glory of rug hooking in all of its multifaceted splendor. Open its cover and step into a virtual exhibition filled full-color photos and background information on the 25 rugs from the FINALIST SHOWCASE; and an additional 60+ rugs from the HONORABLE MENTION GALLERY. Many of the rugs are with close-ups that allow you to study technique, color selection, and use of materials! Reveals a vast array of styles including pictorials, Orientals, primitives, geometrics, fine cut, and more! Includes a sampling of embellished rugs that feature the innovative use of unusual materials such as yarn, beads, and ribbons and insightful artist profiles. There is a section at the end on MAKING YOUR OWN HAND-HOOKED RUG with instructions and patterns for

five different rugs.
