Dale Chihuly : Chihuly in the Hotshop before purchasing it in order to gauge whether or not it would be worth my time, and all praised Chihuly in the Hotshop:

11 of 11 people found the following review helpful. Hotshop is hotBy Larry N. ArmentroutHaving visited the Hotshop, I felt the dvd caught the making of Chihuly glass works perfectly. The only thing missing was the heat of the kilns. The book gives a good overview of his works in chronological order with excellently presented photography.1 of 1 people found the following review helpful. calling all chihuly fansBy Former DC residenti saw part of this on public television and wanted to be able to view the entire video at my leisure.i have been a chihuly fan for a long time and seeing him at work in the hotshop is an amazing experience.1 of 1 people found the following review helpful. AmazingBy ChrisChihuly's work in glass is amazing. To watch them create the different pieces is mesmerizing. I would love to meet Dale and find out more about his process with glass.
