Mr Paul Green : Chinese Abacus For Kids: (Black and white version) A step-by-step guide to addition and subtraction using the Chinese abacus (Suan Pan). before purchasing it in order to gage whether or not it would be worth my time, and all praised Chinese Abacus For Kids: (Black and white version) A step-by-step guide to addition and subtraction using the Chinese abacus (Suan Pan).:

0 of 1 people found the following review helpful. Not just for kids but also could be used by adults.By Mary BernadetteVery clearly written with nice pictures to show every step. Great also for adults, not only for kids.Easy to

understand and to follow along. Good value.

(Black white version of the original colored version). This book will teach you step-by-step how to perform addition and subtraction on a Chinese abacus. Clearly explained with text and pictures throughout every stage of your calculation. It has been specifically written for children.
