I'm glad that I added it to my library.2 of 2 people found the following review helpful. Very Nice book for a new collector and just for the writing and pictures as well. Purchased as it was recommended for a newbie.By Colonist ancestorVery nicely done book great price. Still new to Snuff bottle collecting and realize the ones I would LOVE to buy are way way out of my price range. But I enjoyed the personal story by the author and can so relate to being addicted to antique collecting... and hiding a bit from the spouse to avoid trouble, lol.
