**From Brand: Christiancrafters : Chrismon Snowflake Ornaments: 32 Christ-Filled Ornaments** before purchasing it in order to gage whether or not it would be worth my time, and all praised Chrismon Snowflake Ornaments: 32 Christ-Filled Ornaments:

2 of 2 people found the following review helpful. love this bookBy Leona T HillThis book totally met my expectations. The quick shipping response was much appreciated, as was the communication. Thank you so much. We will have 10 babies under the age of 4 at our house for Christmas. Ergo, we will have a Christmas tree decorated in non breakable Christmas ornaments. The older grand-daughter who is 10 years old, will assist in using this book to make cut out snowflake ornaments.0 of 0 people found the following review helpful. Pretty ShowflakesBy CustomerBook is well printed. Directions stated patterns are 5x5 and they are really 4.5x5On cover it says 32 patterns. Yes, there are 32 patterns but only 16 different patterns.This will be great from older children as well as adults.6 of 6 people found the following review helpful. Fantastic book!!By Passionate about historyI ordered this book after viewing the video review the first person uploaded. It is fantastic! The patterns are gorgeous and easy to follow. Each one has a little story and Bible verse that describes the basis for the design. All designs represent symbols of Christ. I did a bunch with my children today, and they loved it. Worth every cent!

A Chrismon Snowflake is the combination of a traditional paper cut-out snowflake, with a Chrismon. A Chrismon is a design symbolic of Christ or Christianity, a Christ/Monogram. Crowns, crosses, doves, butterflies and stars are a few

examples of a Chrismon design. All Chrismons are white or white and gold. White for purity and gold for the glory of God. You can decorate your whole Christmas tree with these beautiful symbols of faith, using white lights and gold balls for a beautiful effect. Chrismon Snowflake Ornaments are a great gift idea for the Christian crafter! For ages nine to adult. You get 2 each of the 16 designs; a total of 32 ornaments!

"Hello. I teach middle school Sunday School. I thought, just for something different, we would make the Chrismon Snowflakes. This was a stretch, 'cause I didn't think the boys would be interested. I was WRONG! My son, who is a pretty good critic of my Sunday School Classes said that was "really cool". and it was one of the best things we have ever done in Sunday School! So much for assuming things!" --J. Nieman  
From the Author  
While making paper cut snowflakes with my children one Christmas, I wanted my designs to reflect the spiritual nature of the season. By trial and error I incorporated Chrismon designs into each snowflake. Hence, Chrismon Snowflake Ornaments were developed! The special way they are folded and cut gives them their three dimensional quality. Chrismon Snowflakes are reminiscent of German and Swiss Scherenschnitte, (the religious art/craft of intricate paper cutting). Relive the nostalgic fun of making paper snowflakes! You're sure to have fun making my unique ornaments of faith!  
Merry CHRISTmas,  
Sarah Keith
