David Sorkin : Cigarettes Coloring Book before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cigarettes Coloring Book:

Cigarettes are the most heavily advertised product in the United States, and cigarette manufacturers were among the first industries to sponsor radio programs and advertise on television. Cigarette advertisements can be quite entertaining, with a great variety of celebrity endorsements, questionable medical claims, and creative imagery. The Cigarettes Coloring Book includes 40 different images of cigarette packages and advertisements to color, with descriptions and commentary on the facing pages.

About the Author David Sorkin teaches information technology law, consumer law, and lawyering skills at The John

Marshall Law School in Chicago, Illinois.
