**Leslie Pina : Circa Fifties Glass from Europe America (Schiffer Book for Collectors with Values)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Circa Fifties Glass from Europe America (Schiffer Book for Collectors with Values):

circa Fifties Glass from Europe America includes the Italian and Scandinavian designer art glass usually referred to as "Fifties glass," plus a more popular modern glassware produced in factories, especially in the United States and Italy. This colorful and highly collectible glass is presented in nearly 500 full color and black and white photographs, plus never-before-published catalog pages, with detailed information on 88 designers and makers, design lists for Barovier Toso and for Venini, glossary, bibliography, index, and value guide. The book is a must for collectors and researchers

of mid-century glassware, by the author of numerous books on decorative arts including *Fifties Glass* and *Popular '50s '60s Glass: Color Along the River*.
