**Ed Smith : Classic Floral Designs** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Classic Floral Designs:

0 of 0 people found the following review helpful. A Great Step by Step Primer for Flower Design By D. Welch This book gives practical and elegant instruction for creating beautiful arrangements. The text is clear and easy to understand. The author provides many step by step pictures to help the reader create his or her own floral designs. Easy to follow and create while reading. 5 of 5 people found the following review helpful. Beautiful arrangements good information By Pamela R. Farris I recently signed this book out at my local library and just had to add it to my own collection. the book gives easy to follow instructions on how to create a number of different arrangements using various materials. It even has a section on basic design tools. this book is a must have for the beginner as well as a pro. 0 of 0 people found the following review helpful. Beautiful designs By Lorraine Johnson I purchased this book in hopes that it would inspire me to create my own designs, and it has! I consider myself an intermediate designer who can always use a little inspiration from the talents of others. This book was what I had hoped for.

Any flower lover can produce breathtaking arrangements--it's just a matter of applying the principles of good design. A lushly photographed guide to contemporary and traditional styles explains how to learn basic skills and ordinary materials. Over 30 designs are on display, with every step for producing them in both fresh and silk flowers. See how to choose the right container (baskets, clear glass, bubble bowls, tall vases) and shape (round, fan, horizontal, vertical, right triangle). Assemble your own versions of arrangements like Seasonal Delights, Springtime Garden, Summer Pitcher, Waterfall, Fruit Compote, Garden Romance, Framed Florals, Christmas Gathering, and Golden Glow. Add special effects--candles, water features, topiaries--to highlight any event from a holiday party to a wedding theme.

About the Author Mickey Baskett has produced over 2,000 instruction books with more than 40,000 projects.
