Estelle Ansley Worrell : Classic Teddy Bear Designs-Heirlooms to Make Dress before purchasing it in order to gauge whether or not it would be worth my time, and all praised Classic Teddy Bear Designs-Heirlooms to Make Dress:

1 of 1 people found the following review helpful. Making Teddy Bears and clothes By L. M. The things I liked about this book is it goes into history of Teddy Bears. Seems to have good instructions on constructing your bear and the clothes. It has a lot of cute clothing patterns including sweaters for your bear and how to make them from your old sweaters. My only con and it's really not a big deal, is that as it's an older book it doesn't have as many step by step photos as the newer books seem to have. It does just not as many. And much of it is in black and white. Still, it seems to have a lot of useful information. I am very new (extremely) to bear making and am not an experienced sewer. But I love the bears! 0 of 0 people found the following review helpful. Awesome Guide to Home Sewn Bears By Steve Does Reviews Excellent information book for making hand sewn bears. Great illustrations and easy to use patterns. 0 of 0

people found the following review helpful. Great Bears and WardrobeBy Pauline A. NissenThis book is a great resource for both beginning bear makers and experienced bear makers. It has a wide variety of bears from simple no-jointed to beautiful antique style jointed ones. There are patterns for clothes for all the size bears in the book .The instructions are well written and photos are clear. An excellent Book for every bear maker.

Projects for the beginner to the advanced bear making aficionado. Includes full-size project patterns for 24 bears (both jointed and non-jointed) ranging from 3-1/4-18" as well as complete wardrobes for each. Gives a concise history of teddy bears and their clothes. 22 color and 101 b/w photos. 150 pages.
