Monica Clements : Cobalt Blue Glass Edition (Schiffer Book for Collectors) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cobalt Blue Glass Edition (Schiffer Book for Collectors):

1 of 1 people found the following review helpful. Cobalt Bottles from SpainBy StregThe two cobalt wine bottles purchased from you are a beautiful addition to my 150 bottle collection of Cobalt bottles. My hubby attached four shelves to the double wide window in our kitchen so I could display and enjoy them all. The light from the outside shines through the bottles and makes a nice conversation piece. Thanks for your care in shipping and presenting me with two great pieces to add to my collection. Judith0 of 0 people found the following review helpful. Three StarsBy Rebeccaits ok0 of 0 people found the following review helpful. Blue Glass bookBy Glass LadyI love this book. Cobalt is my favorite and have lots of it, this book gives me a guideline to the pieces I have, prices are a bit out of date but information is good. Very pleased with this book.

Cobalt blue glass holds a fascination for collectors of glassware. The origin of this distinctive blue glass goes back to the Egyptians. In this book, authors Monica Lynn Clements and Patricia Rosser Clements showcase nearly 400 photographs that illustrate the wide appeal of cobalt blue glass. From Depression Era patterns and elegant glassware to reproduction pieces and new glass, the colorful photographs exemplify what appeals to the collector. Also shown are cobalt blue glass jewelry, condiment pieces, candlesticks, vases, lamps, bells, perfume bottles, bottles and jars, animals, iridescent glass pieces, and other items. This revised and expanded second edition contains up-to-date market values and nearly 30 new photographs. For anyone who appreciates the beauty of cobalt blue glass, this book is an indispensable reference guide.

About the Author Monica Lynn Clements is a teacher, a writer, and an antiques dealer specializing in rare books. Patricia Rosser Clements has three children, including her co-author. A longtime collector of antiques and an antiques dealer herself, her other interests include art, design, and photography.
