Together they created Destroyer Duck, a comic fundraiser to help with Gerber's legal expense against Marvel. Reading about their creative team-up was most insightful. Other articles explore Kirby's unfilmable ideas and how George Lucas probably swiped ideas from New Gods to create Star Wars.1 of 1 people found the following review helpful. The King of Comics is Alive and Well!By Adalberto McFarlaneIf you love comics and grew up on the artwork and/or stories of Jack Kirby - the rightful king of American comics (just like Osama Tezuka is the God of Manga in Japan), then you need to get these collections of Twomorrow's Jack Kirby Collector. I first purchased Kirby 50 and was amazed at the sheer output of this creative giant. Get them all, and learn

about a truly creative, endless wellspring of fun, fantasy, and great artwork!0 of 0 people found the following review helpful. Five StarsBy kavgreat
