A powerful set of black and white cartoon images from Kirby's vast worksBy Midwest Book ReviewAny fan of comic book art knows about Jack Kirby - and this amazing seventh volume in the series offers a powerful set of black and white cartoon images from Kirby's vast works to supplement even more interviews and insights. Serious, all-encompassing comic libraries need this addition to an astoundingly complex series of achievements that are Jack Kirby's legacy.

This seventh trade paperback completes the compilations of the first thirty regular-size issues of The Jack Kirby Collector, the critically acclaimed magazine about Kirby's life and career.
