**Christopher Cook : Collectible American Yo-Yos - 1920S-1970s: Historical Reference Value Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Collectible American Yo-Yos - 1920S-1970s: Historical Reference Value Guide:

0 of 0 people found the following review helpful. YoYo ReferenceBy skeeter1001I like Yoyo's and all about them.

This book adds to my collection and I did not have a copy of it. 1 of 1 people found the following review helpful. Very happy with purchase and delivery  
By Shirley Langlois very pleased with condition of book and it arrived sooner than promised. very happy with seller  
1 of 1 people found the following review helpful. Incomplete and lacking in many areas  
By A Customer Although a guide to yo-yos themselves is welcome to collectors and others, this book is seriously incomplete and lacking in many areas. For example, there are far too many yo-yo models that are missing from the guide (either in description or picture); the descriptions are inconsistent, too brief and, in many cases, inadequate because there is no accompanying picture. Many of the color pictures have poor contrast and brightness making it difficult to see details in a logo or decal. The price values associated with nearly all the yo-yos in the book are way out of line with what collectors are currently willing to pay. In some cases, it is hundreds of dollars more! As a casual guide, it is fair. As a serious guide, it lacks depth, completeness, and consistency.

Reference Value Guide for Collectible American Yo-Yo's
