Binding ErrorBy CustomerBinding error - missing pages 121-144. Very disappointed. Wish I caught it sooner, may try returning it anyway. Great book otherwise.0 of 0 people found the following review helpful. Nice, small, good qualityBy Alexander GorodnichevIt is pretty small (pocket) book, good pictures and overall quality of a book, not much information, but still interesting book

Whether old or modern, classic or frivolous, from the most straightforward pulling device to the incredible ingenuity of nineteenth-century inventions, corkscrews have long been the basis of many a cherished collection. Collectible Corkscrews features over 500 color photographs of corkscrews, from rare and valuable early models to recent designer creations. Each photograph is accompanied by a short text explaining the significance of every item. Whether you are a novice or a long-term corkscrew devotee, this book is sure to surprise and inform you. But be warned: once you have been bitten by the corkscrew bug, you are a collector for life...
