Book has some items that are not in the Star War books and other space collectible books. Lots of color photos, very nice organized book. I highly recommend this book, buy it and you will be pleased too. Thank you!0 of 4 people found the following review helpful. GoodBy A CustomerThis is a very good book as it details many star wars collectibles.

With photos and text chronicling character action figures, movie playsets, posters, celebrity autographs and more, fans

will find this to be the ultimate book for "Star Wars" enthusiasts. Full color.
