**Marcia Hersey : Collecting Baby Rattles and Teethers: Identification Value Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Collecting Baby Rattles and Teethers: Identification Value Guide:

0 of 0 people found the following review helpful. Must have if you collect baby rattlesBy garden20AWFast shipping, at an awesome price. Definitely a book to have if you collect baby rattles. Mostly all of older victorian and very early 1900s. Not much in the plastics from the fifties and sixties.

Trace the development and history of baby rattles and teethers through the ages with Marcia Hersey in her extensively researched book. In both words and 280 color photos, readers will learn about the rattle's origins, the traditions and

superstitions surrounding the use of rattles and teethers, and fads and fashions associated with them.
