Coloring is stress relief and relaxing meditation for all ages! And perhaps best of all, coloring is fun! Grown-up coloring books are gaining in popularity. Ours include detailed patterns and whimsical scenes, suitable for coloring with your own crayons or colored pencils (not included). Each picture includes positive quotes on each page, space to add your ?artist?s signature and date? and a place for a note on the reverse. Pictures can be easily removed from the book for framing and proud display. These aren?t your kids? coloring books! If you haven?t colored for years, you?ll remember the fun and creativity from your childhood! And the relaxation benefits are great for mental and physical health. Available in your choice of theme ? the images are more sophisticated and complex than those found in kids? coloring books. | File size: 36.Mb
