I've always loved Christmas for many reasons.and of course loving cats certainly helps. This book also has wonderful doggy patterns, along with angel, dove, reindeer and various amount of cat patterns for making runners, quilts,and wall banners.I plan to use this to make some gifts for people who love their dogs and cats. It's whimsical, fun, and I don't know anyone who would ever be disappointed in receiving a cat wall hanging for Christmas.I have friends who have a yellow, very fuzzy cat whom I plan to make a close facsimile in the wall hanging

cat image I have planned for them for Christmas. I know I'll enjoy making it, and giving it. and I think my friends will love to have this to hang and enjoy every year! One day when their beloved cat is no longer with us, perhaps they will keep this as a fond and sentimental memory of the yellow fuzzy boy they once held and loved! GET THIS BOOK!!!!
