**Georgia Wild : Learn to Crochet with Glass (Annie's Attic: Crochet)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Learn to Crochet with Glass (Annie's Attic: Crochet):

By embedding glass stones into crochet work, crafters looking for a challenge can create intriguing designs and fashions with the patterns in this book. The 13 projects featured in this collection are made by crocheting around plastic or metal frames, inserting a stone into the pattern, and finishing the project by incorporating crochet stitches. Designs are made using Kreinik fine metallic thread, sizes 3 and 10 crochet cotton thread, and bulky weight yarn. Ideal for intermediate-level stitchers, the patterns found in this book include Bridal Ribbon Headband, Suncatcher, Key

Chain, Tricolor Pendant, Turquoise Ring, and Cross Bookmark.
