3 of 3 people found the following review helpful. Good guide to unlocking all of those little lines and ...By SusanGood guide to unlocking all of those little lines and circles. I've always stayed away from diagram patterns because I didn't understand them. This helps 8 of 9 people found the following review helpful. Good beginning will mostly like bring or lead to a ...By Brenda GarciaThe book has taken crochet from the usual level of simple knitting and crocheting to some serious work of producing the Kitchen and Home decorations to make that glamorous appearance at home. Good beginning will mostly like bring or lead to a good ending and its the philosophy am using in my reading and career development in my Crocheting and knitting field. The book is good with the charts and the instrument knowledge that will help me much with the issue of knowing the right instrument to use when making up different sections of the products.10 of 11 people found the following review helpful. Highly reccomend this bookBy JPThis book has helped me understand better how to read crochet instructions for patterns I was hesitant to try before. I have not actually read about charts and graphs but have scanned the instructions and believe that it will be very helpful to me. All I wanted in one book. I am happy with this book and would recommend it.
