Alexia Marcelle Abegg : Liberty Love: 25 Projects to Quilt Sew Featuring Liberty of London Fabrics before purchasing it in order to gage whether or not it would be worth my time, and all praised Liberty Love: 25 Projects to Quilt Sew Featuring Liberty of London Fabrics:

1 of 1 people found the following review helpful. Fantastic book with great little girl dress!By BecI met the author through a sewing class and just love her and her book. The class taught us many simple patterns that we could do at home. I bought the book and with the help from my mother (a better sewer than me) we have made some cute things for my kids. there are both simple and difficult patterns so something for the beginner and novice. Author was a fantastic teacher and i really really enjoyed taking her class.0 of 0 people found the following review helpful. Not useful in my worldBy ltowI LOVE Liberty fabrics and was eager to see what they came up with for this book. I was

very disappointed, however -- there is nothing here I will ever make, all projects (except one) are quite simple, many not even requiring patterns, and nothing seemed particularly innovative. I would be happy just to see many projects made with Liberty fabrics because I could look at them all day, but if you are like me, save your money and scan Pinterest instead. 2 of 2 people found the following review helpful. ... lovelovelovelove ...By Ina Braun... to have enough time and all of the liberty prints in the stash ... now that would be the dream come true ... I will be making a bunch of those projects ... that's why I got the book of course!!! Long live Liberty of London Tana Lawns!!!

Since 1875, Liberty of London has been producing high-end fabrics renowned for their sumptuous color, striking design, and silky-smooth hand. Alexia's fascination with these lavish prints began as a child. Readers can rekindle their love for Liberty with this delightful collection of quilt and sewing projects for their families and homes. Each design combines fresh, modern aesthetics with the traditional Liberty polish we've all treasured for a lifetime.

"...In this collection of patterns, Abegg presents a variety of projects designed to highlight the beauty of Liberty fabrics, while helping quilters and sewists get the most out of these spendy textiles. The projects include quilts of various sizes, as well as accessories and garments, and the contemporary, streamlined style keeps the floral fabrics from looking too fussy...VERDICT You don't have to love Liberty fabrics to find appealing projects in this collection, and sewists of all skill levels will be inspired by Abegg's stylish creations." Library Journal - March 1, 2013
About the Author
Alexia Marcelle Abegg is an award-winning artist and designer who studied fashion and fine arts. Her experience in photography and costuming has helped her find her home in designing quilt and sewing patterns. Alexia lives in Tennessee.
