Thank you!By AnonymousThank you Vivian Kistler for the Picture Framing complete set of books.found them very helpful in learning about Professional Picture Framing.12 of 13 people found the following review helpful. Library of Professional Picture Framing (Complete Set)By M. BickertonLibrary of Professional Picture Framing (Complete Set) is fabulous as it goes into every aspect of picture framing in depth. Wood and metal frames, glass and conservation glass, conservation principles in general, mat design and layout, framing collectables such as coins, framing and displaying needlework, clothing, photograph mounting and framing. All of these topics and more are handled expertly. If you are hoping to frame anything of value or if you simply want to improve your framing skills get Library of Professional Picture Framing. Each volume is great and the whole collection is a bargain. Highly Recommended2 of 14 people found the following review helpful. framing booksBy Patty Cloughthe books are wonderful, and got here quick in great shape. they will be a great help. thanks
