Paula Pryke : Living Color before purchasing it in order to gage whether or not it would be worth my time, and all praised Living Color:

0 of 0 people found the following review helpful. This book did not disappoint and fill with great photosBy LJNBought as gift for my wife. She is a international award winning floral designer and loves books by Paula Pryke. This book did not disappoint and fill with great photos. Keep up the good work Paula!!!0 of 0 people found the following review helpful. OLD, old old!!!!By JustI am so upset at every reviewer who said 'this was the best book ever...' This book was old, the flowers were old, the colors were outdated, disgusting, poorly arranged -- I returned it!!!0 of 0 people found the following review helpful. Excellent bookBy SummerloverVery good ideas and pretty pictures, all you can desire to make your own bouquets. Really good quality, I loved it.

Living Color taps into the current trend for using flowers not only for special occasions, but also as a key visual element in home decoration. An explosion of intense color mixes are accompanied by unique flower arranging recipes that include quantities as well as exact floral ingredients and methods needed to recreate the innovative floral bouquets

for which Paula Pryke is internationally famous. Using teaching methods honed from the author's highly successful flower school, *Living Color* demonstrates, step-by-step, how to create the kind of professional flower arrangements to accessorize and transform your living space, infusing it with color and style. Beginners and amateurs alike can easily achieve the same polished creations that have made Paula Pryke Britain's leading floral artist in constant demand internationally by royalty, celebrities, presidents and heads of state. Following in the footsteps of her other successful flower arranging books (*Festive Flowers*, *Flair with Flowers*, *Flowers, Flowers! Simple Flowers*), *Living Color* is the new addition to her definitive and expanding library of books to teach the creation of exceptional environments.

About the Author Paula Pryke is a highly successful, internationally known florist who is much in demand. She is known for her brilliantly colorful, off-beat combinations of flowers and foliage that infuse living spaces with color and style. Her school for flower arranging has been a great success and contributed to her continued popularity.
