Woelk Simple discussion of Kilims so layman has an idea of what they are looking at. Beautiful pictures that show the many styles and uses of Kilims. Bought it used, arrived in good condition ahead of time.

Attractive, hard-wearing and versatile, kilims have become one of the most fashionable features of Western interior decoration in recent years. This illustrated guide shows how to use them in the home. With information on their history and origins, types and techniques, and guidance on buying and valuing, cleaning and repairing, it contains over 250 photographs of interiors ranging from English country houses to Mediterranean villas - providing ideas for those

seeking decorative inspiration.
