today while it was free and am impressed with it. All designs can be made on one loom instead of needing multiple looms as in some other books. I've only glanced through it but the instructions and pics seem to be pretty clear and easy to follow. There are a few new designs in here that I hadn't seen before, which is a bonus. Very good book! :-  
)This product was a personal purchase for myself at the normal retail price. I am reviewing it solely because I want to share my experience with other potential customers. I have received no compensation for my review nor do I have any relationship with the seller or manufacturer of this product.1 of 1 people found the following review helpful.  
Amazingly helpfulBy OliviaAmazingly helpful because i learned how to make a headband and a whole bunch of things i had no clue how to make. I love rainbow loom im addicted to it and this book was a huge help to me! Its awesome the directions are extremely easy to understand. So you should get it. Thanks!1 of 1 people found the following review helpful. Going loop crazyBy C.M.I don't know which I enjoy more..beading..crocheting or looping. And let me tell you,looping is addictive! Whether you do just your own personal favorite colors or your favorite sports team colors it's fun!!
