Eleanor Burns : Lovers Knot Quilt before purchasing it in order to gage whether or not it would be worth my time, and all praised Lovers Knot Quilt:

8 of 8 people found the following review helpful. Great BookBy SpyrothesheepI love this book, This is my second copy, the first having been eaten by the dog(he loved the book too). The pattern is easy to follow and quick to make. There are so many color combinations you can choose. I have other quilt books as well and while some are easy most only give one size quilt to make and if you want to make a different size you must calculate it out on your own or use trial and error. This Book gives you all the sizes with yardage and binding ideas. While I like the angled corners making a square cornered quilt is also included. This is a great buy and well worth it.0 of 0 people found the following review helpful. I was pleased I found thisBy Lolita O.I made a Lover's Knot quilt when I was 17 and still have it on my bed many years later. The book, however, has since disappeared. Since I don't see Eleanor Burns's quilting books very often in quilting or fabric stores, I was pleased I found this!I love the Eleanor Burns quilting books. They

consistently provide clear, comprehensive, and easy-to-follow instructions, and they include dimensions for all the standard beds sizes and the corresponding yardage for each fabric, as well as the number and size of strips required. The Lover's Knot pattern is such a unique twist on the Log Cabin! It may look complicated, but it's not very difficult, especially if you follow the instructions. 4 of 4 people found the following review helpful. Lover's Knot Quilt by Eleanor Burns By Customer I teach beginner quilting classes and I know that if I use one of Eleanor's books, the pattern will be accurate with lots of illustrations to help you through the process. My students need to understand how to work from a pattern so that they will be able to work on their own in the future. Lover's Knot is my favorite of all of her quilts.

To celebrate her 30th anniversary and the marriage of her oldest son, Eleanor perfected the Lover's Knot pattern using her signature 2 1/2 strips. Add a touch of romance to any room with this lovely quilt. The elegant pattern uses two strips intertwined to make a knot. The graceful, flow of the quilt is made with two basic, strip pieced blocks. By using color and value in your fabrics, the Lovers Knots stand out to show unity. The blocks are set a point a for a dramatic effect and corners can either be squared or diagonal. Eleanor offers step by step illustrations and instructions to direct the quilter to a successful finish. There are yardage and cutting charts for all 5 quilt sizes and border options for a personalized quilt. Included with the Lovers Knot quilt pattern, Eleanor gives directions for making a matching dust ruffle with tips on measuring and sewing the ruffle. A miniature wallhanging and long and short table runners are bonus projects in the book. They are pieced with narrow 1 1/2 strips for a charming petite finish.

About the Author Twenty-nine years ago Eleanor Burns introduced her first Quilt in a Day book, cultivating a quilting revolution. She presented her unique style, a diverse combination of cutting and sewing applications, creating new techniques altogether. Her concise step by step directions are easy to grasp, allowing the possibility for anyone to be successful at making a quilt. Eleanor Burns gave quilters techniques that compacted months into merely a day, a quilt in a day, spreading her vibrant enthusiasm within everyone. She has motivated thousands of want-to-be quilters with needed confidence and assurance. Altogether, the impact of her influences opened the door to a renewal. Her efforts sowed the seeds that have grown into many techniques that are commonly used today. Since 1978 when she self-published her first book *Make a Quilt in a Day: Log Cabin Pattern*, she has authored over seventy-five additional books. Throughout the world today, there are thousands of instructors teaching her quilting methods. Her first Quilt in a Day TV series began airing on PBS in 1990 and is still broadcast nationwide and abroad and now her shows can be seen on the world wide Web.
