It makes the book more enjoyable to just browse through! But the simple instructions for the wool figures make the book helpful. The various figures are inspiring for me to create my own versions of figures.I just have enjoyed looking through the book for entertwinment, and can also use it to further my wool needle felting interest. VERY nice book!2 of 2 people found the following review helpful. Felting Wool Mermaids, Faires, and NymphsBy NickiThe book covers the various ways of felting information, it identifies the basics of forming a stable base for items being felted. There are many different styles of wool Mermaids, Fairies, and Nymphs in the book to choose from. I think it exceeded my expectations.0 of 0 people found the following review helpful. Not a great resource for actual crafting but the pictures are niceBy FunnyPatThis was rather disappointing. I do a lot of crafts and I just didn't feel this was that great a resource. But the pictures were nice.
