I'm a quilter and I'm finding these pages very inspiring -- very nice selection in this coloring book too. I'm sure I will purchase another style of coloring book from this artist. Reasonably priced and fast shipment. This would make a nice gift!1 of 1 people found the following review helpful. My Favorite Magical Design volumeBy JLabossI love this coloring book. I think this is my favorite of Samantha's Magical Designs series so far. There's less repetitive pattern like you'd see in the Mandalas, so I find myself getting more creative with the colors.0 of 0 people found the following review helpful. Five StarsBy Savannaeal love Doodle Art Alley's work! Have had tons of fun coloring!

Gorgeous Geometrics Coloring Book Provides Hours of Stress Relief and Relaxation Features 50 fun and unique geometric designs to inspire the spirit and calm the mind. Geometrics have been organized from simple to more intricate so that you can design your own beautiful pictures from rectangles, curves, and other geometric shapes.

Choose your color combinations and see what patterns they create. Let the magical designs take shape before your eyes. Experience greater focus, dedication, and patience that coloring can bring. Slow down and enjoy the colors and patterns coming to life in front of you. Designs are printed on one side of the page. Each doodle art image has been carefully selected to provide plenty of enjoyment, inspiration, and relaxation. Doodle Art Alley Books are so much fun and are perfect for adults and older teens along with younger kids. Coloring isn't just for kids anymore! There is something for everyone, so take a minute and explore the magic of it all!

About the Author Samantha Snyder has been doodling her whole life. While teaching elementary school, she often drew up coloring pages and printables for her students and fellow teachers. She decided to start sharing her creations and in 2008, Doodle Art Alley was founded. Doodle Art Alley is dedicated to giving those squiggly lines the proper credit they deserve. Who would have thought that such a small and simple idea could possess so much potential? There are lots of fun art activities, tips and information to read through and enjoy.
