**Sue Spire : Make a Stained Glass Box: The Stained Glass How To Series** before purchasing it in order to gage whether or not it would be worth my time, and all praised Make a Stained Glass Box: The Stained Glass How To Series:

2 of 2 people found the following review helpful. Stained Glass Box Instruction By Tyra L. Smith Very compact and precise book, well written and easily understood. It makes a great additional to my resource library and I would recommend it to people interested in learning to make stained glass boxes. 1 of 1 people found the following review helpful. boxed up By Debby CLarkson Easy to follow and very helpful. Step by step process to building a great gift. The problem is always cutting the glass correctly. 1 of 2 people found the following review helpful. Five Stars By milktoastgreat book

This book will teach you how to Make a Stained Glass Box with a hinged lid. There are complete step by step

instructions with pictures. You will learn the techniques necessary to construct a box along with instructions showing you how to make three different types of hinges.
